

ABOUT THE COMMUNITY

The Groves offers a taste of nature in a distinctive Northeast Houston Community, creating a perfect harmony between residential and recreation. The community's 993 acres offer a unique escape in which to explore nature and make memories with your family and neighbors.

The Groves is located off West Lake Houston Parkway, just south of Atascocita, with convenient access to the Sam Houston Tollway (Beltway 8) and major thoroughfares. Established shopping, dining and grocery stores are nearby, as is serene Lake Houston. Once you come home to The Groves, you won't want to leave!

Humble ISD is committed to providing an outstanding education for all of its learners. For the past three years, 100% of Humble ISD teachers have been ranked "highly qualified" by the Texas Education agency (TEA). Plans call for both a future elementary and middle school to be built within The Groves in the next few years.
