

ABOUT THE COMMUNITY

Steeped in a history that dates back to Stephen F. Austin’s “Old Three Hundred,” today Sienna Plantation is a 10,000-acre master planned community in Fort Bend County that boasts a naturally wooded landscape, world class amenities, and acclaimed on-site schools.

The community has strived to maintain its natural environment by dedicating acres to wooded preserves, lakes, green space and recreation. Sienna Plantation residents enjoy an impressive array of amenities.

With a focus on student achievement and development, Fort Bend ISD continues to offer outstanding educational opportunities, both in the classroom and through a broad array of extracurricular activities. One of the district’s greatest strengths lies in its multicultural diversity. Students in Fort Bend ISD represent more than 25 countries, and students and their families speak more than 100 languages. Baines Middle School and Ridge Point High School are located within the community where students can enjoy the convenience of walking or biking to school.
